

Center for Global Health

Global Health Scholars Day Returns on May 5

Join faculty, staff and trainees interested in global health from throughout the university at the 4th annual Global Health Scholars Day.

Global Health Scholars Day showcases the excellent work being done by the IU community to improve the care of patients worldwide, research the complexities of global health, and educate learners about the care of local and global populations.

Join Global Health Scholars Day in person at the Rotary Building (IUPUI) on May 5 from 4-6 p.m.
