

Center for Global Health

Join us for Global Health Scholars Day on May 5

Global Health Scholars Day showcases the excellent work being done by the IU community to improve the care of patients worldwide, research the complexities of global health, and educate learners about the care of local and global populations.

Global Health Scholars Day features poster presentations and the opportunity for those interested in global health throughout the university to network and share information.

Join Global Health Scholars Day in person at the Rotary Building (IUPUI) on May 5 from 4-6 p.m.

Students Selected for AMPATH Kenya Scholars Program

Three IU School of Medicine students selected as Slemenda Scholars will spend the summer working alongside Kenyan medical students as part of the AMPATH partnership in western Kenya.

Students Micaela Gaviola, Destiny Resner and Marissa Vander Missen will learn about every facet of AMPATH Kenya's programs and complete a scholarly research project with a faculty mentor during their 10-week summer experience.

Support Global Health Education on IU Day

Join the party on IU Day, April 20, by making a donation to the Robert and Lea Anne Einterz Global Health Education Fund. Your gift to this endowed fund can enable medical students and residents to participate in two month exchange programs that expand their medical knowledge, perspective and leadership skills.
