January 2022

**SIMON  
SAYS**  
Expert Series

## The Unexpected Journey to Global Oncology

Friday, Jan. 28 | 11:30 a.m. ET | Virtual event

**Patrick J. Loehrer, MD**  
IU Distinguished Professor,  
IU Simon Comprehensive  
Cancer Center  
*Speaker*

**Barbara Lewis West**  
Former anchor/reporter  
*Moderator*

**Register now and submit your questions: [go.iu.edu/3PZ4](https://go.iu.edu/3PZ4)**

## Shared Event Focuses on Global Oncology

Pat Loehrer, MD, will discuss his unexpected journey to working on cancer care in Kenya and how the work he and his Kenyan colleagues do has implications for underserved patients in Indiana and beyond at this virtual event on January 28. Barbara Lewis West, a former anchor/reporter specializing in medicine and science, will moderate.

This month's Simon Says is presented by the IU Melvin and Bren Simon Comprehensive Cancer Center, IU Center for Global Health and AMPATH as part of the Fireside Chat series.

# INDIANA UNIVERSITY **National HIV Conference**

**Stepping Into the 5th Decade—  
Evolving Our Response to HIV**

## **IU Plans National HIV Conference in June**

The Indiana University National HIV Conference (IUNHC), *Stepping Into the 5th Decade – Evolving Our Response to HIV*, will be held in Indianapolis on June 8-11, and is presented by Indiana University's Office of the Vice President for Diversity, Equity, and Multicultural Affairs. This four-day conference focuses on ending the epidemic and uniting higher education, nonprofit, biomedical research, health departments, health professionals, pharmaceutical companies, key constituents, and consumers engaged in HIV/AIDS prevention, research, and care in conversation and knowledge sharing. Early registration discount ends January 28 and workshop and poster proposals are due on January 31.

## Global Classroom Initiative Application Open

The Global Classroom initiative offers instructors a way to add an international component to their classes by collaborating with a foreign partner. This gives students experience with the type of work they will likely engage in over the course of their future careers: cross-cultural, project-based, and supported by technology. Applications for Fall 2022 are due March 4.
